- ◆ **www.kcssonline.org:** The web site is helpful if you want to go back and review information about an event, need a form printed, etc. You just click on a specific week's *Weekly News* and look for the item. Also, the *School Calendar* can take you to a specific month with a click and you have the option to view events by a specific campus, campus-wide, or category. You can look ahead to see what is coming up. (Until the actual month arrives, the calendar may not be inclusive of all information.) Also, if you click on an event on a specific day in the calendar, a little box pops up in the left corner. If there is a spot in the box that says "More Info", you can click on that link and it will take you to the form or information pertaining to that item.

HAVE A GOOD LONG WEEKEND!
