ACCREDITATION

You will be asked to fill out a short survey on our school system during your parent teacher conference. Please keep in mind your input is a very valuable part of the Accreditation process. Your answers will directly affect the outcome of the final report. There will be one form to be filled out per family but both parents should discuss the areas addressed and fill it out together, with an area on the form for each parent input. Surveys will be handed out in the homeroom, please inform your child's teacher if you already received one from another teacher. There will be a drop box for your completed form available by the entrance of school. We are hoping for full participation so please take a few moments of your time to be a part of the Accreditation process! Any questions call Patti DeGroot at 766-4595 or email at LPDG78@AOL.COM

Thank you for your input in this rewarding process of Re-Accreditation!

What's Advancing the Mission?

Initiative of our Diocese focused on advancing the mission of Jesus through prayer, service and sharing.

How does it affect me?

1) We are putting together student run masses on December 1 and December 2, 2007 and we need volunteers. A sign up sheet will come later. We need youth volunteers for: greeters / ushers, bringing up the gifts, lectors / readers, choir and musicians.

2) We are trying to organize student activities and we want to know what would interest **you**.

Check all interests that apply:
