A great compliment was given by one of the representatives of Herff Jones when they were here at Holy Cross Campus on Wednesday to take pictures. She said our students were great - they did what they were told, smiled, etc. She also said she'd take a school like this any day. We're very proud of our students upon hearing such a nice comment. Let's help reinforce this good behavior by letting them know!

HELP!!

The Development Office is in need of help stuffing envelopes for our annual all parish mailing. This mailing is a huge task that benefits all the children present and future at KCSS. With enough help, it shouldn't take too long and time will go towards your volunteer hours.

We will be stuffing envelopes on SATURDAY, November 3rd at St. Mary's Parish Center. I would like to get started by 9am. Teenagers who need service hours are welcome!! Please call Carrie Gorges, 759-9290, if you are available to help. E-mail, mcgorges@aol.com

Thank You!!
