

Dear Parents,

I would like to thank all of the parents who came to our Parent-Student-Teacher conferences. We love having the opportunity to meet with you. As a reminder, you do not have to wait for scheduled conferences to talk to teachers about questions or concerns you may have. Feel free to contact us any time.

Congratulations to our honor roll students! We are very proud of the work you have done this quarter.

On Friday, November 16, students in 5th – 8th grades who have earned 0 or 1 discipline points and no Level II or III violations will be awarded a Jeans Day. Students will be notified of their eligibility for this day in their homerooms.

Yours in Christ,

Elizabeth Watson

Career Dress-up Day – Tuesday, November 27

Students may come to school dressed up as a specific career person. Please assure that they wear something that will not prohibit them from regular class duties and playground/Phy Ed activity. Of course, there are unwritten guidelines to follow – use your best judgment. Jeans can be worn if it can be justified as a career-person – for example, a construction worker would require a hard hat, tool belt, or boots, etc.

STUDENT GOVERNMENT

At the beginning of our Explore group, we elected Student Government officers. They are: Ali Merbach – President; Chad Johnson – Vice President, and Alex Halbach – Secretary.

The first thing we worked on was deciding on rewards for good behavior. Every quarter there will be a reward day for students with 0 or 1 point and no Level II or III offenses. At the end of each semester, there will be an additional reward for students who have 0 or 1 point and no Level II or III offenses for the entire semester. So, work hard not to get any points so you can participate in the reward days. Our first reward day is Friday, November 16. Signs are posted by the bubblers.

Right now we are looking at the Ineligibility Policy with Mrs. Watson. We are discussing how much notice students need before becoming ineligible to play sports.

If you have any questions or concerns that you would like Student Government to address, please tell one of our members.

News from Third Grade

Ask your child about the **adinkra** cloth we made – it's from a story in our Reader called "The Talking Cloth". Mr. Wydeven was our Mystery Reader. He shared fun facts about American presidents and answered questions.

On Tuesday we played games at St. Paul Manor. I don't know who enjoys this more – the residents or students! We are beginning an American Indian study and look forward to the play, **Treasure Island**, on Thursday.

Mrs. Sarah Egan – Third Grade

Market Day News

There is a new insert in the Market Day flyer. Now you can fill it out just once to always have your order delivered to the same school. Please fill it out and return even if you do not order every month. We will be creating a master list for reference. You can always change your delivery option just by letting Jennie or Marsha know.

St. Al's orders will now be put in the entry between the two double doors. This way, if you cannot get there before the interior doors are locked, you will still be able to get your order!

Stock up on the great Market Day appetizers, cookies, and other snack options. With the holidays just around the corner, they are great to have on hand. (Fliers went home today.) Next pickup date is December 6.

Thanks again for supporting Market Day!

Physical Education Class

Hello parents of Holy Cross students. In Physical Education class we have been working on learning the five components of fitness and activities that represent each component. In 3rd and 4th Grades, students have been learning the anatomical names for the bones in the human body. We started with the cranium and are working our way down the body. Fourth and 5th grade students have also recently completed a unit called ultimate foxtail. The middle school students recently finished their flag football unit and are now working on a volleyball unit. All the students are doing a great job of participating and looking to keep moving during class to increase their steps and their pedometer scores. This has been an enjoyable first quarter and I believe things will continue to go well.
