

I am the new school secretary at Holy Cross Campus and am happy to be here. The majority of my working career has been in the secretarial field. I view my role as an important one -- assisting the faculty, staff, and visitors, but also you and your children.

My husband and I are life-long residents of Kaukauna and our daughter is in 5th grade here at Holy Cross. I enjoy watching the Packers and Brewers, I like scrapbooking, humor, and being with our families and friends.

My goal for the 2007-08 school year is to know every student by name.

Sue Vanderloop  
Secretary - Holy Cross Campus
