

Dear Parents,

Attached you will find information on what is required by the state of Wisconsin for 2007 – 2008 immunizations for your child to enter the Preschool / Prekindergarten Program. **Please return your yellow immunization card with the date, month and year of your child's immunizations on orientation day. Also remember to sign the back of the card.** Your child must be current with his/her immunizations.

Thank you,

Susan Schuh, School Secretary

STUDENT IMMUNIZATION LAW AGE/GRADE REQUIREMENTS 2007-2008 SCHOOL YEAR

The following are the minimum required immunizations for each age/grade level. It is not a recommended immunization schedule for infants and preschoolers. For that schedule, contact your doctor or local health department.

Age/Grade	Number of Doses				
Pre K (2 years through 4 years)	4 DTP/DTaP/DT	3 Polio	1 MMR ¹	3 Hep B	1 Var ⁵
Grades K ² through 12	4 DTP/DTaP/DT/Td ³	4 Polio ⁴	2 MMR ¹	3 Hep B	1 Var ^{5,6}

1. MMR: The first dose of MMR vaccine must have been received on or after the first birthday (Note: a dose 4 days or less before the 1st birthday is also acceptable).
2. DTP/DTaP/DT vaccine for children entering Kindergarten: Your child must have received one dose after the 4th birthday (either the 3rd, 4th, or 5th) to be compliant. (Note: a dose 4 days or less before the 4th birthday is also acceptable).
3. DTP/DTaP/DT/Td vaccine for students entering grades 1 through 12: Four doses are required. However, if your child received the 3rd dose after the 4th birthday, further doses are not required. (Note: a dose 4 days or less before the 4th birthday is also acceptable). A dose of Tdap vaccine is not required but is acceptable to meet this requirement.
4. Polio vaccine for students entering grades kindergarten through 12: Four doses are required. However, if your child received the 3rd dose after the 4th birthday, further doses are not required. (Note: a dose 4 days or less before the 4th birthday is also acceptable).
5. Var means Varicella (chickenpox) vaccine. Chickenpox disease history is also acceptable.
6. Students 13 years of age or older without a prior history of chickenpox disease or a prior history of varicella vaccine before 13 years of age require 2 doses of varicella vaccine.
