Nordic Mountain offers an exceptional and very reasonable ski club package. In order to be part of the ski club, you must sign up for **all** dates. Two lessons are required for beginners, per Nordic Mountain skiing rules. Nordic Mountain allows one adult chaperone for every ten students. Adult chaperones ski free, but must pay for equipment rental. Helmets are available for rent at a cost of \$2.00. Helmets are included with the snowboard rental.

If you sign up, you must pay for all **four** trips and all **four** rentals (if equipment is needed). If a student is not interested in all the trips, they can sign up on the sub-list posted by the office. If there is a ski club member who cannot attend a trip, that trip can be sold to a sub. All money is handled between the member and the sub. Paperwork must be completed and turned in before the trip (permission slips, etc.). Nordic Mountain does not allow a date substitution for any students not going on the scheduled trips. It is up to the student to arrange their own sub.

Bus space is very limited. One adult chaperone is required for every ten students. Due to full busses do not assume that there will be room for other family members on the Ski Club bus. Family members are more than welcome to join us, at a reduced rate, at the ski hill. Thank you for your understanding.

The cost of the bus will be figured after the participant count has been finalized. **The Nordic Mountain weeknight brochure and permission slip must be completed and returned to the school office with payment no later than Friday, November 11, 2011. Checks are to be made payable to KCSS.**
